Dear Ms. Jackiw:

Re: Ontario Power Generation Inc. (OPG) Clean Energy Credits

The Ontario Energy Board (OEB) acknowledges receipt of the letter sent by Ms. Jackiw on behalf of the Ontario Sustainable Energy Association dated May 11, 2022. The letter supports Environmental Defence's request for a process to consider OPG's sale of clean energy credits arising from its OEB-rate-regulated assets.

As noted in the OEB's May 4, 2022 letter to Mr. Elson and Ms. Zadeh, the OEB is currently considering the matter.

Yours truly,

Nancy Marconi
Registrar
