Dear Mr. Elson and Ms. Zadeh:

Re: Ontario Power Generation Inc. (OPG) Clean Energy Credits

The Ontario Energy Board (OEB) acknowledges receipt of the letter sent by Mr. Elson on behalf of Environmental Defence dated May 2, 2022, which was copied to OPG and all parties to the most recent OPG payment amounts proceeding. The letter requests that the OEB “re-open or institute a new proceeding to consider issues relating to Ontario Power Generation’s ongoing sales of clean energy credits arising from its OEB-rate-regulated assets.”

The OEB is currently considering Mr. Elson’s letter. If OPG wishes to respond to that letter it should do so by May 6, 2022.

Yours truly,

Nancy Marconi
Registrar
