Dear Mr. Purcell:

Re: Ontario Power Generation Inc. (OPG) Clean Energy Credits

The Ontario Energy Board (OEB) acknowledges receipt of the letter sent by Mr. Purcell on behalf of The Atmospheric Fund dated May 10, 2022. The letter supports Environmental Defence's request for a process to consider OPG's sale of clean energy credits arising from its OEB-rate-regulated assets. We have advised Environmental Defence and OPG that we are considering the matter.

Yours truly,

Nancy Marconi
