This is the Electricity line of the bill. It shows what price plan you are on and what you are paying for the electricity that you use. This bill shows Tiered pricing.

As a Tiered pricing customer, your consumption is broken down to show how much you use at the lower Tier price and how much you use at the higher Tier price.

Total Ontario support on this bill: \$00

This is the meter reading period, also known as the billing period. Your bill covers all the electricity charges you have to pay for in this period. A billing period is generally 30 days, but that can vary. Any switch in price plans can only become effective at the start of a billing period.
