1. The commodity rates for Union South include all transportation costs. Transportation rates are set by the Canadian Energy Regulator. Customers that have a contract with a natural gas marketer may or may not be affected by changes to transportation rates. Customers that have questions about this should contact their natural gas marketer directly at the phone number that appears on their bill.

2. Based on a typical average residential customer's consumption of 2,200 m<sup>3</sup> per year.
