1. The *Gas Price Adjustment* reflects actual rates but does not indicate whether the amount is higher or lower than the previous quarter.

2. Transportation rates are set by the National Energy Board. Depending on the terms of your retail energy marketer contract, you may or may not be affected by Union Gas' changes to transportation rates. Please contact your retail energy marketer directly at the phone number that appears on your bill if you have any questions.

3. Does not include temporary charges or credits and is based on typical average consumption of 2,200 m³ per year.

Effective October 1, 2018
