

Ontario Energy Board

Regulating Ontario's electricity and natural gas sectors

The Ontario Energy Board is the provincial regulator of Ontario's electricity and natural gas sectors.

The **Legal Services & Strategic Policy** division of the Ontario Energy Board is responsible for all aspects of the Board's approach to regulatory strategy and risk management. It includes legal services, strategic policy development, policy evaluation and business planning.

We are currently seeking an energetic individual to join our team and assist the Board in achieving its vision of protecting the long term integrity of the province's energy system so that Ontarians today and tomorrow have access to reliable energy at a reasonable cost.

Counsel

1 Full-Time Permanent Position

Reporting to the General Counsel and Vice President, Legal Services & Strategic Policy, the ideal candidate will possess a minimum of 5 years at the bar, to act as hearing counsel in matters coming before the Board, and have an excellent knowledge of administrative law.

Excellent oral presentation skills and written communication skills combined with innovative thinking and strong decision making skills are essential for this role.

Core Competencies:

- Litigation background
- Knowledge of administrative law principles and practice with experience in regulatory investigations and enforcement preferred
- Demonstrated accountability to produce high-quality work, in a timely manner
- Proven adaptability to work effectively in a variety of situations and with various individuals or groups
- Excellent customer service skills
- Ability to collaborate with others in a team environment
- A commitment to professional development and continuous learning
- Effective communication and interpersonal skills
- Shows initiative by being proactive and achieving goals
- Strong planning and coordination skills in order to execute activities
- Good problem solving and analytical skills

Preference will be given to candidates who meet the minimum requirements above and have relevant work experience in a similar energy sector or regulatory environment.

We Offer:

- Competitive wages
- A defined benefit pension plan
- Comprehensive Health and Dental Plan
- Life and Disability insurance
- Maternity and parental leave top-up benefits

If you enjoy working with a group of professionals dedicated to working co-operatively with multi-disciplinary teams to help build and sustain public confidence in Ontario's natural gas and electricity sectors, you'll enjoy being a member of this team.
