

## EMPOWERING ONTARIO'S ENERGY FUTURE

We are the Ontario Energy Board - Ontario's independent energy regulator. We work to ensure a sustainable, reliable energy sector that helps consumers get value from their natural gas and electricity services – for today and tomorrow.

We are currently seeking an energetic and collaborative individual to join our team as a Complex Regulatory Application Advisor in the Natural Gas department. In this role, you will be responsible for reviewing, analyzing and processing applications related to natural gas facilities, rate setting, and gas supply matters.

Title	Complex Regulatory Application Advisor (Natural Gas)
Job ID	# 624 - B
Position	1 Permanent Full-time Position
Closing date	April 21, 2020

This is an exciting opportunity for an individual with knowledge of how utilities are regulated and interest in assisting the OEB to achieve its vision of protecting the long-term integrity of the Province's energy system so that Ontarians – today and in the future – have access to reliable energy at a reasonable cost.

### POSITION OVERVIEW

- Reviews and manages the processing of applications relevant to natural gas rate setting and the construction, operation of distribution, transmission and storage of natural gas
- Leads the OEB review of natural gas commodity and associated transportation costs and annual reviews of gas supply plans
- Identifies relevant issues with assigned applications and provides in-depth analysis and advice to internal and external stakeholders including but not limited to financial, accounting, economic, regulatory policy, system planning, gas supply, cost allocation and load forecasting
- Collaborates and coordinate with groups and individuals internal and external to the OEB, including but not limited to subject matter experts, the OEB's legal department, Board Members, and intervenors
- Assists in the settlement of issues with applications and other stakeholders, develops interrogatories and participates in technical conference questioning, prepares briefing note, staff submissions and cross examinations in preparation for public hearing
- Monitor the energy and regulatory policy environment including legislation and regulations
- Represent the organization in external forums and venues

## QUALIFICATIONS, EXPERIENCE AND SKILLS

- Undergraduate degree in, but not limited to Finance, Economics, Business Administration or Engineering
- Graduate degree is preferred
- 5+ years' experience reviewing and/or preparing applications; clarifying and identifying issues; gathering information and evidence to support business decisions and dealing with applicants and/or stakeholders to assist in the settlement of issues.
- Experience in the energy industry is a definite asset
- Previous experience with adjudicative procedures (e.g. notices, procedural orders, decisions, oral hearing schedules) and regulatory ratemaking is required, experience in gas supply matters is preferred
- Proven track record to meet tight deadlines, work under pressure and juggle multiple priorities at once
- Strong working knowledge of Microsoft Office (Excel, Word, PowerPoint) a must
- Excellent verbal and written communication skills that cater to all levels in the organization
- Strong interpersonal, organizational, prioritizing, problem solving and time management skills

## OUR CULTURE

If you enjoy working with a group of staff dedicated to working cooperatively with stakeholders to help build and sustain public confidence in Ontario's natural gas and electricity sectors, you'll enjoy being a member of our team. We offer an environment that provides intellectually challenging work, inspires innovation, creativity and rewards collaboration
